Dear **ESERNET SWS 2003-1** participants:

In order to move from Rome airport to **ESERNET 2003** meeting site and hotels, AA is offering taxi-service at a better than standard quality and fare to **ESERNET SWS 2003-1** participants, both for individual and group trips.

Use the attached Taxi-Reservation-Form to place your preferred taxi reservation. Placing, changing, and annulling a taxi reservation are easy free-of-charge operations. E-mail or fax us your request ASAP, please. We kindly hope that you would proceed to annul your reservation as soon as you might change your mind, 24 hours at least before the announced arrival day, kindly, by faxing, e-mailing or calling AA. By the way, we will acknowledge all taxi reservations, changes, and cancellations.

While our fares might appear lower but similar to those that you could get by boarding any true taxi at Rome FCO airport and having a half of a hour trip, AA also offers traffic-independent fares, and eventually a better quality level, such as explained in the following.

- The best available cab will come to pick up you (usually, an air-conditioned Mercedes Elegance).
- Our drivers are able to communicate in Italian, English, French, and German.
- Our help Cell-Call-Center (No. 3 cell numbers, one for each of the local major cell-phone companies) has Italian, English, French, and German speaking operator.
- A driver showing an **ESERNET SWS 2003-1** logo (see last page of the present file) will wait for you at the Airport of Rome FCO, just nearby the exit gate - following Baggage Claim or Customer Service, if due - at the terminal that you specified in the reservation form (see next page).
- No surcharge for baggage, delayed flight extra waiting, or rush hour's traffic.
- Euro 10.00 surcharge only for trips between 22:00 (10:00 PM) and 7:00 (7:00 AM).
- Because we are located in the Roman Castle, our drivers have knowledge of the territory. They do not risk getting lost, and can drive you to the **ESERNET SWS 2003-1** meeting point and hotel without missing the best route, also during rush hours.
- We regularly serve **ESERNET** local members, and it is easy to contact us in order to recover items that you might forget on board.
- Taxi-receipt given to each passenger or invoice sent later to the passenger organization on passenger request.
- Forms on boards or at **ESERNET** meeting site to reserve for the return trip.

Kindly try to place your reservation by January 15, 2003, please.

Thanks for your attention, and best regards.

We are looking forward to safely drive you to the Roman Castles, this March.
